**THE DEL-HI**

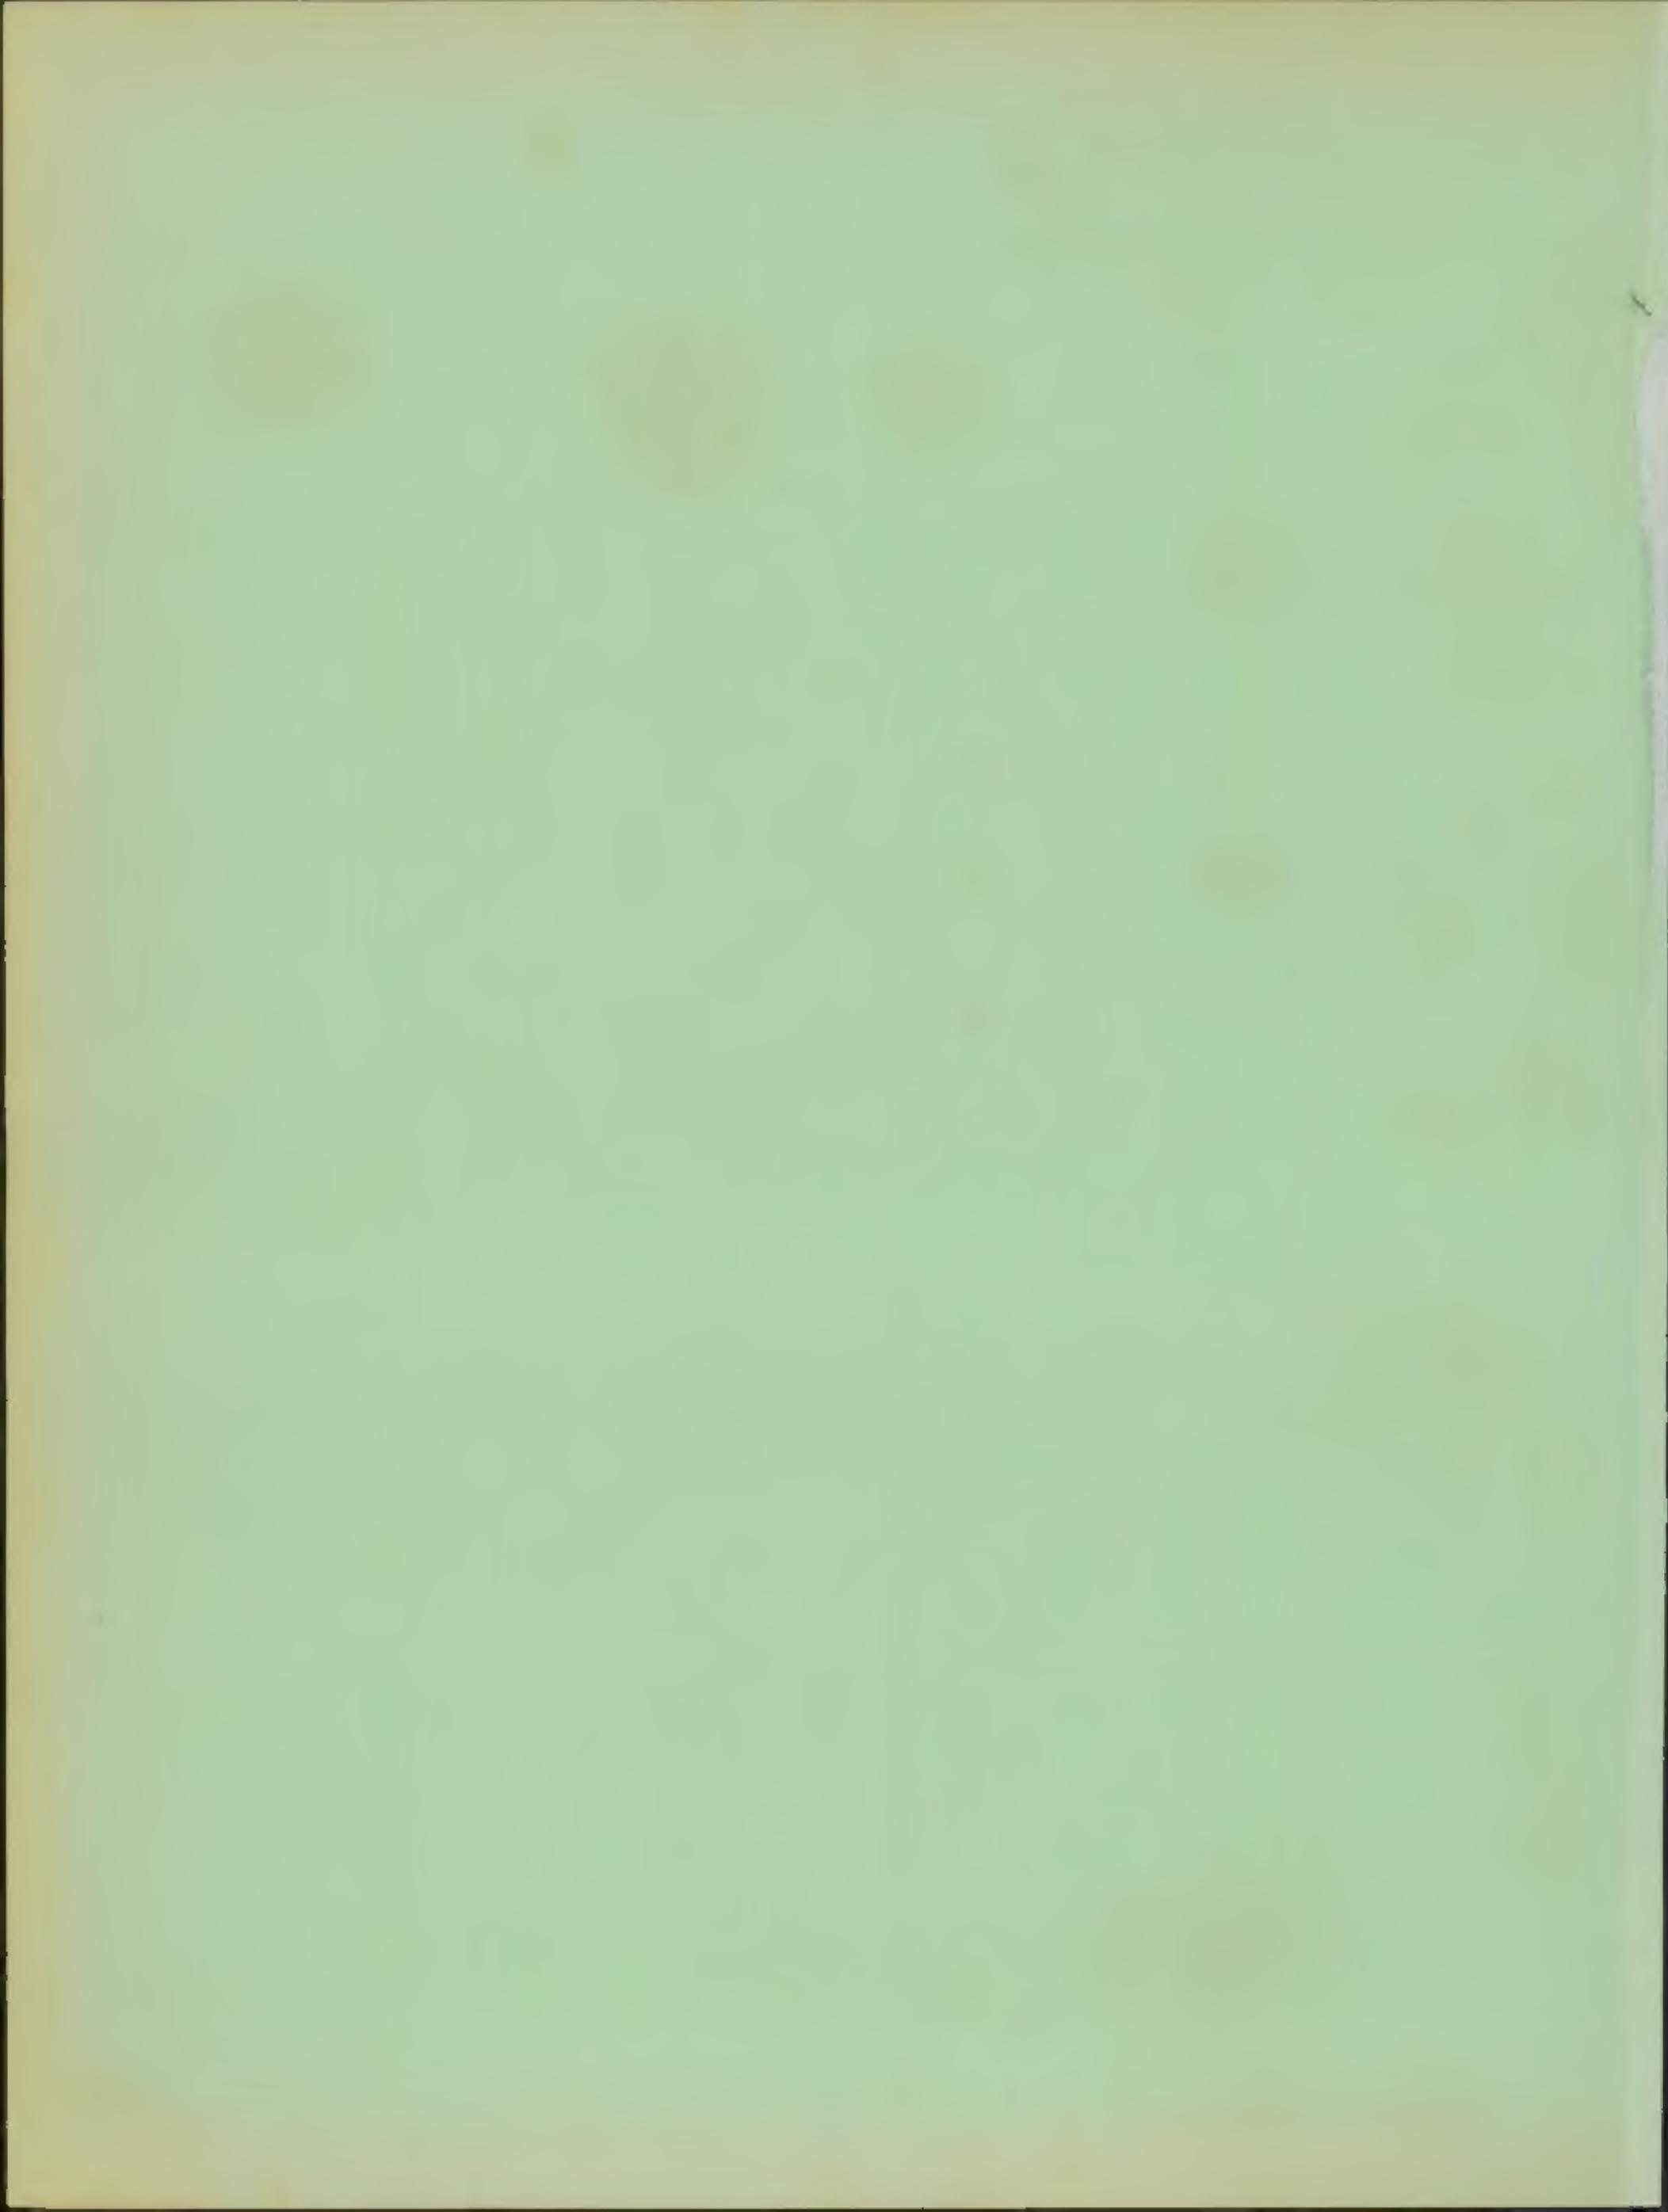

DELTA

In remembrance of the senior class  
of 1969, wish to dedicate this page to a  
former classmate, George Freehorth.

*The  
1960  
Del-Hi*

We, the Class of 1960, proudly present our edition of the Del-Hi. As we look through its pages, many happy memories will be recalled.

We the Senior Class do affectionately dedicate the 1960 Del-Hi to

MRS. GOLDA WISNER

our beloved and respected business education teacher.

Miss Golda Nau was born in Mt. Blanchard, Ohio which is near Findlay. She was graduated from Ada High School in 1920.

In the fall of 1920, Miss Nau began her teaching career at an eight grade country school in Delaware Township. After teaching there for two years, she moved to another eight grade one room school in Jackson Township. She taught there for two years also.

In September 1924 Miss Nau moved to Delta where she has taught continuously for thirty-five years.

Miss Nau graduated from the University of Cincinnati in June of 1939 with a Bachelor of Science degree in Education. She also attended Bliss College, Bowling Green State University, Findlay College, and Ohio Northern University.

On March 8, 1952, Miss Nau became Mrs. Vern Wisner. This posed somewhat of a problem for her students who had become so used to calling her Miss Nau.

Mrs. Wisner is a well liked and highly respected teacher. She has always shown concern for her students, and has been more than willing to help them when necessary.

Mrs. Wisner set high standards for her business education students and expected each to work to the best of her ability. Because of this, many employers throughout Northwestern Ohio have sought the services of students who received their secretarial training under Mrs. Wisner.

We are sorry that Mrs. Wisner is leaving, but we are grateful for the many years of service that she has unselfishly given to the students of Delta.

Seated: Dr. Robert Blair, president; Pauline Sindel, clerk; Don Williams; Dr. Robert Moss, vice president; Paul Robinson; Clifford Shelt.

This year, our board of education and school administration have been busy solving the problems that have arisen in our school system. They have many responsibilities, and duties which they must perform.

We, the seniors, would like to thank the board of education, administrators, and the entire faculty for their part in making our memories of Delta High School happy ones.

# *Class Prophecy*

This is your world news reporter, Marilyn Reinhardt the year is 1980. One day several months ago as I entered my office, my secretary Elaine Bargin said that the boss wanted to see me. My boss is Richard Hite, editor-in-chief of that world famous magazine *Squat*. He asked me to do a story on that "old gang of ours", the Class of 1960.

When I went home that night, I was at a loss as to where to start. I turned on the television and there much to my surprise was Jim Jones, now known as the new Jack Paar. There were some other familiar faces on his show that night - Harold Schlatter and his red-hot trombone and that new singing sensation, Hugh O'Desprey. The on-air show was presented by Suzanne Bratton who had just taken over for Betty Crocker.

The next morning I contacted Ted Short, owner and operator of the Long-Short Airlines, about reservations for a trip around the world. When I boarded the plane for my trip, I noticed that **Janet Jackson was one of the stewardesses**.

My first stop was to visit my old friend Diane Norris, who was teaching advanced calculus at Alabamas. From there I went to Washington D. C. to see Pat Neary who pushed the buttons on an electron beam for a secret government project. When I returned to my room at the Carlton Hotel, which was ready and waiting, I read in the paper that Janet Reed was running for president with Kenya Hollister as vice president. Janet said that if she were elected, she would have Shelia Harris redecorate the White House in green and white.

From Washington I went to Mexico where I saw our academic's foreign correspondent Larry Bassett. He told me that Tom Noflinger was the United States ambassador to Russia.

I then went to Africa to see the never-won-over-by-the-brides-over-the-Suez canal. I also saw Doyle Tuckerman who was teaching English to the Egyptians.

In the end, I did see Mr. Ambassador satirist Harlan Shaw. He told me that Dick Merrill has just passed over the post of chief witch doctor. I then went to visit the plantation of John Wachtman who had added further to his riches at the Suez. I also saw actress Sharon Dietz who was busy teaching the natives the proper way to boil white hunters.

My next stop was in Hawaii to visit Diane Lai who was getting the last of the natives. From there I went to California to see Mrs. M.Q. Lee, the wife of movie star Roy. I also saw Dick Tracy, one of the stars of the team. I then went to Hollywood to see Kent Bell, a movie agent who had just signed a contract for two more stars Mary Radcliffe and Hal Staw. They had just received their awards at the National Showdown, The Return of My Betta. I also came across Pat Gunn, now famous as a hair stylist for the stars.

My next stop was it my office, my studio in Las Vegas. I was surprised to see Janice Morris who was the featured dancer at the floor show.

Our own, celebrated Dr. M. G. Clark, our world famous brain surgeon, Mary Ann Hallow. I watched her perform an operation assisted by Donna Emans.

My next stop was in Edinboro, New Jersey where John Stewart, assisted by his able co-advisor Roger Horner, was reading all the records while at what he had built himself.

I then went to come down to see Harry Hall, a man who is a scientist and a native to the Everglades to see Kenton Travis who was busy developing new uses for Flamingo eggs.

After this, I went to the airport to meet Nancy Revert who agreed with me that this whole silly story isn't worth telling.

# *Junior Class Trip*

On Sunday, May 31, 1914, forty eager junior girls boarded the train at Toledo bound for Washington, D.C. As our chaperones, we selected Mr. and Mrs. Schindler, Mr. Daile Steger, and Miss Gertrude Fischer.

After a restful (?) night on the train, we arrived in Washington bright and early the next morning. We boarded sightseeing buses and there we visited the Washington Monument, Arlington Cemetery, the Mall, and the Venetian. After checking into the Continental Hotel, we went in a twilight tour of some of the monuments. We also visited the Washington Airport.

Tuesday morning we again rose bright and early. (As far as we were concerned, we were not too bright and it was not too early). That day, we visited the Street of Thirty and Marinating, and the Capitol. We also were shown a very good example of the rain in Washington, because on that particular day, it rained, and rained and rained. On Tuesday, we had a free night. Most of us went to see a drama, but a few brave ducks went on a slightly soggy moonlight cruise, and some went to Lincoln Park.

On Wednesday, we went to Annapolis to view the Naval Academy (and their football). In the afternoon, we wearily boarded the train for home. The trip home was not more quiet than the trip before.

We arrived home Thursday morning, glad to be home, but sad that the trip which we had looked forward to for so long was over so quickly. We all had fun and will never forget this great experience in our lives.

One of the major highlights of the band's annual trip to Pemberville, Ohio. Here, band competition in street marching, playing, and drill work is held. For the fourth consecutive year, the band took first place.

Being in band isn't all hard work. This year, on October 17, 1959, the band traveled to Ann Arbor, Michigan to view the University of Michigan-Northwestern football game. They also watched the Michigan Band as they practiced for their own show.

During the concert season, the band worked hard to maintain the fine record which they have attained during the last few years.

This year the Delta F. H. A. Chapter's activities were led by their president, Janice Mort and advisor, Mrs. Burris. Some of these activities were: F. F. A.-F. H. A. Dance, Hobo Day, Daddy Date Nite, the traditional parent daughter banquet and a dinner honoring the senior members.

They also had an ice-cream social, concessions, and many other money raising projects. A number of the girls worked on their Junior, Chapter, and State Homemaker Degrees.

This year the chapter selected Bill Siebel as their F. H. A. King.

The chapter mothers this year were Mrs. Johnson, Mrs. Kistner, Mrs. Mort and Mrs. Onweller.

The Future Farmers of America is a national organization whose purpose is to educate rural youth and promote the farming industry. There are thousands of local chapters such as Delta's in the national F.F.A. This year, the local chapter functioned under the leadership of John Wachtmann, president, and Mr. Burris, advisor.

One of the outstanding events in F.F.A. is the selection of the Chapter Sweetheart. This year, Janet Krauss was selected. Another event is the annual dance with the F.O.W.

There are also many activities in which the local chapter competes with the other chapters of the county. One of these is the parliamentary procedure contest, and another is the F.F.A. district livestock judging contest.

Among the individual contests, the outstanding one is the public speaking contest in which the Delta chapter often participates.

The G. A. A. has been very busy this year. Not only have they been competing among themselves, but they have been playing basketball and volleyball with other schools. Under the leadership of Mrs. McFarland, the girls have always shown good sportsmanship and fair play.

In addition to their athletic activities, the G. A. A. proved to be an active and hardworking organization. They added spirit to the football games by decorating the goal posts, and sold candy at both the football and basketball games.

The G. A. A. has a point system by which the girls may earn an emblem, a letter, a pin, according to the number of points they earn. By serving on committees, playing on teams, helping with refreshments, and various other ways, many girls received awards this year.

On November 20, 1959, the Junior Class presented the comedy, "The Boarding House Reac!", under the direction of Mr. David Steger and student directors, Patti Johnson and Janet Van Doren.

For many years, thirteen-year old Wilbur Maxwell had wanted a bicycle, but he couldn't persuade Mom and Pop to get him one. When Mom and Pop go away for a week-long business trip, Wilbur gets an idea. He'll make his own money, and buy his own bicycle.

He decides to open up a boarding-house right in his own home. Into the paper goes the ad, and that night the whole Maxwell house is crawling with people. From there on out, it's one big mess after another.

On April 8, 1960, the Senior Class presented a mystery-comedy, "Bull in a China Shop"

The "Bull" is Detective Dennis O'Finn, handsome, middle-aged bachelor. The "china shop" is a houseful of batty spinsters, all of them in love with O'Finn. But he pays no attention to them, until one of them turns up dead! The pixilated ladies really serve a cup of tea that is good to the last drop, especially when they want to get rid of a rival for the affections of O'Finn. He solves the murders all right. (There are several, just to make sure he stays around). But in a knock-out of a switch ending, O'Finn realizes that even though he has solved the mystery, he has not solved his basic problem. He is just too darned attractive to the weaker sex!

This year Delta did not have a very successful season, winning one and losing eight, although they played better than some of the scores indicated.

Delta played their best game five games of the season against Montpelier, but a seventy-nine yard run made them forfeit. In the last four games with Napoleon, Delta played a good offense, but the defense was bad, and the larger opponents gave them another defeat. The last game of the season was against Swanton, who had just won on a very hilly field. Delta completely dominated play and won their first game of the season.

Delta lost only seven seniors and, with a year's experience, should have a successful season next year.

The track team under the coaching of Mr. Atkins will be looking forward to another fine season. They will be entered at the county trials and also will be working hard toward a good standing in the district and county year. Out of a group of thirteen letter men there will be seven returning.

During last season last year we placed fifth and placing third and fourth in the district and league meets respectively.

This year should also be a very successful season, as Larry Kissel, who tied for first and Mark McQuillin, who placed fifth in the high jump will be back. Also returning who won letters last year and did not receive any are as follows: Cliff Foreman, Jim McDonnell, Ted Short, Roger Mori, and Roger Markey.

The baseball team, under the coaching of Mr. Rollins, are looking forward to a better future season.

Although they are losing seven lettermen, there are five well-experienced lettermen returning and some good prospective boys to take over.

In the N.W.C.A.L last year, Delta ended with a 3-3 record and a 5-4 overall record. In the County Tournament last year, Delta lost to Pettisville in the semi-finals 9-3.

Most of the boys on the team have pretty hot hopes this year and are aiming for the county championship.

The first game of the season opens in April but the team practices in the gym till the weather breaks.

The returning lettermen are as follows: Mark McQuillin, Terry White, Ian Kissel, Hal Walter, and John Wachtmann.

The Delta Junior High Squad had an exceptional season this year, losing only three of their thirteen games.

The most exciting game of the season was their game with Napoleon. Although Delta ended up on the short end, they played a close game, losing in the final seconds by only two points, 25-23.

In the NWOAL Tourney, they lost the championship game to Napoleon 41-30.

Individual scoring honors went to Jerry Robinson and Tom Wiley.

The team and their Coach, Mr. Adkins, deserve a lot of credit for their fine season.
